

Before (text.kerning\_factor = 6)

The image displays a plot with four lines of text. The x-axis and y-axis both range from 0.0 to 1.0, with major ticks every 0.2 units. The text is rendered in a large, bold, black sans-serif font. The first line is 'BRAVO' at y=1.0. The second line is 'AWKWARD' at y=0.6. The third line is 'VAT' at y=0.4. The fourth line is 'W.Test' at y=0.2. The text is left-aligned, and the spacing between characters is significantly increased due to the high kerning factor.

Text	Y-Position
BRAVO	1.0
AWKWARD	0.6
VAT	0.4
W.Test	0.2
